Tyree K. Dorward focuses primarily on general education law, school business and facilities issues, as well as public works purchasing, bidding and construction issues.

School Business & Facilities

Ty counsels school districts and community colleges on a wide range of general education law, business and governance issues, such as the Brown Act, Public Records Act and other business issues including, but not limited to, purchase and asset management of real property, energy conservation measures, technology procurement/use and other Education Code compliance issues. Ty also advises school districts and community colleges on all aspects of school facilities construction, modernization and operation including compliance with the California Environmental Quality Act and regulation by federal and state agencies. Ty's knowledge in these areas also includes school site acquisition, alternative school construction delivery methods like lease-leaseback and design-build, as well as the permissible uses of school facilities under the Civic Center Act/Education Code and the collection of development impact fees/developer mitigation issues.

Public Works

In addition to his work with school districts and community college districts, Ty works with a variety of other public agencies in all matters associated with public works purchasing, bidding, and construction, including drafting contract language, resolving bidding
