

Mergers & Acquisitions

Overview

On any scale, buying or selling a business can be a stressful and uncertain process. Deals move quickly, and having the right information to evaluate the offering is key.

Experienced in representing buyers and sellers of businesses of all sizes across industries, Best Best & Krieger LLP's business services attorneys help clients manage the process and limit risk through careful pre-acquisition planning, thorough due diligence investigation, and effective structuring, drafting and negotiation of transaction and financing documents. Our attorneys have negotiated a wide variety of mergers, acquisitions, joint ventures, strategic alliances and other business combinations, utilizing these transactions to help clients optimize their market position. We work with a variety of clients, including major shareholders, lenders, officers, directors, management and investors.

BB&K attorneys are fully aware of the benefits and pitfalls of all types of transactions and advise clients on the many issues that may arise, as well as negotiate and document all deal terms. We provide guidance throughout all phases of a transaction and even address post-closing issues. Drawing on the knowledge and experience of our regulatory, [environmental](#), [labor & employment](#), [intellectual property](#), [finance](#), [tax](#) and [bankruptcy](#) attorneys, among others, we assure that all aspects and implications of each deal are given due consideration.
